Take control of your identity

What is identity verification?

Verifying your identity proves you are who you say you are. This makes accessing government services online quicker and easier.

Storing your verified identity with Service Victoria saves you time and effort when you use our services. Reuse it for up to 10 years.

Free
It costs nothing to verify your identity.

Secure
We use high grade encryption to keep your data safe.

Convenient
A verified identity can be used on over 50 different applications and services.

Private
Your identity info is private. We only share it when required with your permission.

Reusable
Once you verify your identity, it's saved to your account and you can use it again and again.

Efficient
Saving your identity means you don't have to prove it's you every time you use our services.
